

# Earn Passive Income...

Get REWARDED  
for looking out for your client's best interest

## Are you in the business of creating lasting memories for people?

Do you unite two individuals to form one matrimonial union?

## You could provide your client with more than just a dream wedding, you can assist them to protect their future and legacy.

By introducing your clients who are getting married, you are able to earn a passive income! In addition to your pre-marital counselling, we provide professional financial coaching for couples at no upfront cost.
